In every page that contains content on our platform, you can choose the visualisation mode:

Netflix like, horizontal
scrolling

Lists of titles

Abc like, multiple rows
of thumbnails, vertical
scrolling

I am not sure if we should include the type of content **Piani**. If, as I understand from Iris, this is the plan of the lesson for teachers, I think it should appear only on the teacher's platform. For students, Mappe (mindmap), is the plan of the lesson.
